HTML <em>

<em> 標籤其語意是用來強調讀者留意某一段內容

瀏覽器預設 em 的樣式是會用斜體字顯示

例如：

```
<p>
  In HTML 5, what was previously called <em>block-level</em> content is now called <em>flow</em> content.
</p>
```

顯示結果：

In HTML 5, what was previously called *block-level* content is now called *flow* content.
